Name on Stamps.

Each of the 6,000 Presidential Post Offices gets an Individual Supply in 1907.

Postage stamps of the issue of 1907 put on sale at the 6000 presidential post offices will bear on their face the name of the state and city in which the post office is situated. Those for East Jordan will be named East Jordan. The chief reason for this innovation is said at the post office department to be the belief that it will help to do away with the big post-office robberies and make it much easier to trace criminals.

A great deal of complaint has been made in the past on the ground that certain offices were doing a very much greater volume of business than they were credited with doing, and postmasters have had more or less trouble in showing that they needed increased facilities for handling their mail as in the opinion of the congressional committees having the matter in charge, the receipts from the sale of stamps did not warrant the increase.

This plan of engraving the names of the city of issue on postage stamps is not entirely new, as it has been followed in Mexico for years. In Liberia also the names of five of the principal towns are engraved upon the stamps.

County Normal Notes.

Last Tuesday afternoon the normal class and their teacher, Miss Himes, visited the seed house and beet sugar factory for the purpose of seeing how the work is done in each place. This will be very valuable in our work next year. In each place the work was fully explained to us and was very interesting.

Olive Sherman was called home last Thursday on account of her mother's illness but we expect her return in a few days.

A reception was given to the teachers by the normal class, December 18, 1906. A very enjoyable evening was spent.

Miss Maggie Mitchell, of the class of '04, and Miss Jennie Mitchell, of the class of '06, were in town last week. They are both teaching in Ironston and are very busy with their school work and church work also.

Hence it is that Royal Baking Powder renders the food remarkable both for its fine flavor and healthfulness.

Mr. Dooley's New Observations.

In the language of a friend "Dooley is gittin' gayer and wiser all the time." He has never written so brilliantly as in the new series of Dooley articles which are now appearing in The Chicago Sunday Record-Herald. His views on "Me Young Friend Count Boney's Love Affairs," "The President's Activities" and other timely observations in the new series are the choicest things the author has ever offered his thousands of admirers, full of witty sayings which will be quoted for years to come. These "Dooley" articles, each complete in itself, will appear in successive Sunday issues of the Record Herald.
